Note: Please check the product page for the latest system requirements.

Even if your system meets the requirements, we cannot guarantee proper operation on all computers.

Performance may vary depending on the overall performance of your computer, including the number of tracks that can be used at the same time.

A Dreamtonics account is required to use the software. If you do not have a Dreamtonics account, please create it.

For details on how to install, please refer to the URL below.

https://www.ah-soft.com/synth-v/sv2-setup/

Upgrade code

This product is an upgrade code for owners of "Synthesizer V AI Yumenokessho POPY" and "Synthesizer V AI Yumenokessho ROSE." It can only be applied to your own product. Please note that this upgrade code cannot be used for other products you do not own.

The upgrade code for this software is considered equivalent to the product itself. If the upgrade code is lost, the product will also be deemed lost. Therefore, please note that we cannot reissue the upgrade code or any related content. We appreciate your understanding.

Return policy

Please note that no returns will be accepted once the product is opened.

If you wish to exchange or return the product due to a defect, please file a report via the official Bushiroad Music website (https://bushiroad-music.com/contact).

How to use upgrade code

To upgrade your product using this upgrade code, you must first register the activation code of the product you wish to upgrade in your Dreamtonics account.

After completing this step, you can apply the upgrade by registering this upgrade code.

Please note that once the upgrade code is used, the selected product cannot be changed.

Follow the installation instructions provided at the URL below.

https://www.ah-soft.com/synth-v/sv2-setup/

Inquiries

For inquiries regarding problems with your activation code or questions regarding upgrade code, please visit the official Yumenokessho website at the URL below.
